++ Valid for broadcast between 0600 and 1800

Headline:
Dry and sunny but feeling rather cold.

Today:
A chilly start on Monday, but a sunny and dry day follows with clear skies and light winds. Temperatures slightly up compared to Sunday but still feeling on the cold side. Maximum temperature 8 deg C (46 deg F).

Tonight:
Clear skies with light winds through the evening. Turning cloudier in the north during the early hours, helping to moderate temperatures, but feeling cold in the south with a frost. Minimum temperature 0 deg C (32 deg F).

Tuesday:
Becoming increasingly cloudy everywhere through the morning. This cloud thick enough for the odd light shower later on. Feeling cool with temperatures around average for the time of year. Maximum temperature 9 deg C (48 deg F).

Outlook for Wednesday to Friday:
Cloudy to start on Wednesday before outbreaks of rain develop later. Turning brighter, breezier, and colder again on Thursday, then the risk of further rain on Friday.
